Dear Jeanie McPherson,

Thank you for registering to file your sales tax in Indiana under the Streamlined Sales Tax Agreement. This letter is to confirm Indiana has received and accepted your registration. Please also note the enclosed document containing special instructions necessary to process your Ohio sales tax remittance and to ensure you are compliant with Indiana law.

Responsibility for collecting sales tax began upon registration for Streamlined Sales Tax. If you have not begun collecting Ohio sales tax at this time, collection is required from the date of this mailing.

The following are important identification numbers you will need to file your Streamlined Sales Tax in Indiana:

- **Streamlined Sales Tax (SST) identification number-** S00002783

All sales tax returns, payments and information reports can be filed in Indiana under your Streamlined Sales Tax number.

Our records also show you are registered as a "Other" Model seller. The technology model simply means this is the type of technology you have chosen to use to file your Ohio sales tax. The "Other" Model status indicates you have accepted responsibility for ensuring the accuracy of the Ohio tax returns and remittance that you are collecting.

Please carefully read the enclosed instructions to learn more about various Streamline Sales Tax requirements, such as technology model changes, filing due dates, electronic payments and nexus. These instructions are an important reference for ensuring you are compliant with the Streamlined Sale Tax Agreement and Indiana law.

Sincerely,
